SOP-1

Daytime Readiness Posture

Red Alert SOP — For buildings WITHOUT a Mamad / Mamak

On Your Person

Phone ..... **CHECKED**

→ volume ON | location services ON | Red Alert app installed

Configured for your area, notifications enabled

Red Alert **browser extension** active ..... **CHECKED**

Set to correct alert area; computer not on mute; tested recently

Keys on person ..... **CHECKED**

Front door key accessible — do not leave locked inside

Wallet and **ID** (Teudat Zehut) ..... **CHECKED**

Closed-toe shoes suitable for running ..... **CHECKED**

Not sandals, slippers, or barefoot — you may need to sprint

Glasses / contacts (if needed) ..... **CHECKED**

Go Bag & Exit Route

Baby carrier by front door ..... **CHECKED**

Wrap or structured carrier — hands-free evacuation is far faster than a stroller

Go bag packed and positioned by door ..... **CHECKED**

Daily **bag check** completed ..... **CHECKED**

→ medications | charged torch | water bottle | phone charger | copy of ID

Hallway and **exit route** clear ..... **VERIFIED**

No furniture, shoes, or items blocking path to front door

Front door can be opened quickly ..... **VERIFIED**

Not double-locked or chain-latched

Situational Awareness

Nearest **3 shelters** — locations and routes ..... **VERIFIED**

Walked the route recently; know backup if primary is locked

Time to shelter for your area ..... **VERIFIED**

Check HFC Alerts tab for your locality

Protected space priority order ..... **VERIFIED**

Mamad > Shelter > Inner stairwell > Inner room (see decision flowchart)

Children / dependents — current location ..... **CHECKED**

Ready to move them or confirm they are in a protected space

News / situation scan ..... **CHECKED**

Every ~3 hours; adjust posture if escalation detected
