SOP-9

Emergency Supplies Kit

72-hour supply kit — based on HFC guidelines

Water & Food

Water — 3L per person per day × 3 days ..... CHECKED

→ sealed bottles | stored in protected space or by go bag

Replace every 3 months

Infant water — extra for formula prep ..... CHECKED

Bottled water suitable for babies

Non-perishable food for 72 hours ..... CHECKED

→ canned goods | crackers | dried fruit | energy bars

No cooking required

Baby food / formula for 72 hours ..... CHECKED

→ pre-measured formula | pouches | age-appropriate snacks

Pet food for 72 hours (if applicable) ..... CHECKED

Manual **can opener** + disposable plates/cutlery ..... CHECKED

Power, Light & Communication

Power banks fully charged ..... CHECKED

Enough to charge all phones for 72 hours

Battery-powered or hand-crank **radio** ..... CHECKED

For updates if internet/cell goes down; test batteries

Torches with fresh batteries ..... CHECKED

→ one per room | one in go bag

Spare **batteries** ..... CHECKED

→ AA | AAA | torch | radio | medical devices

Emergency lighting ..... CHECKED

Battery or solar-powered lantern

Medical & Hygiene

Medications — 72-hour supply ..... CHECKED

→ prescriptions | inhalers | insulin | EpiPens

Include printed prescriptions

First aid kit ..... CHECKED

→ bandages | antiseptic | painkillers | gauze | scissors | tape

Hygiene kit ..... CHECKED

→ toilet paper | wet wipes | nappies | sanitiser | soap

Medical status sheet from family doctor ..... CHECKED

Conditions, medications, allergies, what help is needed

DISCLAIMER: Not an official government resource. Use at your own risk. Based on HFC (Pikud HaOref) publications as of 12 Mar 2026. Official guidance: oref.org.il.

Documents & Valuables

Photocopies of essential **documents** in sealed bag ..... **CHECKED**

→ ID / Teudat Zehut | passport | driver's licence | insurance | medical records

Cash ..... **CHECKED**

ATMs and card readers may go offline

Emergency contacts list — printed ..... **CHECKED**

Do NOT rely on phone contacts alone

Comfort & Children

Blankets or sleeping bags ..... **CHECKED**

For sheltering; nights can be cold

Change of clothes for each family member ..... **CHECKED**

Include warm layer

Activities for children ..... **CHECKED**

→ games | colouring books | stationery | comfort item

Shelter waits are long for kids

Fire extinguisher + smoke detector ..... **CHECKED**

Storage & Maintenance

All supplies in a **single bag** or container ..... **CHECKED**

Can be grabbed and carried; place near exit or in protected space

Items needing to stay dry in **sealed plastic bags** ..... **CHECKED**

All household members know **location and contents** ..... **VERIFIED**

Everyone must know how to use each item

Maintenance schedule set ..... **CHECKED**

→ water + food every 3 months | batteries + electronics every 6 months

Appoint one person responsible for inspections

DISCLAIMER: Not an official government resource. Use at your own risk. Based on HFC (Pikud HaOref) publications as of 12 Mar 2026. Official guidance: oref.org.il.

SOP-10

Family Emergency Plan

Family coordination and role assignment — based on HFC guidelines

Family Conversation

Family meeting held to discuss emergency plan ..... **DONE**

Include all household members; explain dangers in age-appropriate terms

Emergency types **explained** ..... **DONE**

→ missile attack / siren | earthquake | fire | hazardous materials

Explain how to identify each: siren = missiles, shaking = earthquake, smoke = fire

Protected space location known by all ..... **VERIFIED**

Time to shelter for your area known by all ..... **VERIFIED**

Check HFC Alerts tab at oref.org.il

Roles & Responsibilities

Roles assigned by age and ability ..... **DONE**

Everyone gets a role, regardless of ability

Who grabs the **baby / children** ..... **ASSIGNED**

Who grabs the **go bag** ..... **ASSIGNED**

Who **closes doors and windows** ..... **ASSIGNED**

Who checks on **elderly / mobility-limited** members ..... **ASSIGNED**

Who handles **pets** ..... **ASSIGNED**

Critical Knowledge — All Members

Gas shutoff — location and method known ..... **VERIFIED**

All family members must know when and how to shut off

Electricity shutoff — location and method known ..... **VERIFIED**

Main breaker location

Weak points in home identified ..... **CHECKED**

→ windows / glass | heavy objects | porcelain / ceramics | elevators

These are NOT safe during emergencies

Emergency equipment location known by all ..... **VERIFIED**

Where the bag is, what's in it, how to use each item

Meeting Places & Communication

Meeting place 1 — near home ..... **SET**

All family members know the exact spot and can find it independently

Meeting place 2 — remote/backup ..... **SET**

Public park, landmark, or building further away

Emergency contacts list — printed, visible ..... **CHECKED**

Physical copy in prominent location + copies for each family member

Key **phone numbers** memorised or written ..... **CHECKED**

→ 100 Police | 101 MDA | 102 Fire | 104 HFC

DISCLAIMER: Not an official government resource. Use at your own risk. Based on HFC (Pikud HaOref) publications as of 12 Mar 2026. Official guidance: oref.org.il.

Do NOT rely on digital contacts

Each member knows **who to call** and **what to say** ..... **VERIFIED**

Callback number, what's happening, address, who's in the house

Order of Actions (Memorise)

1. NOTIFY — alert rescue services or an adult ..... **MEMORISED**

As early as possible

2. SHUT OFF — gas and electricity ..... **MEMORISED**

Prevent fire spread and ignition

3. DISTANCE — move to protected space ..... **MEMORISED**

Based on the type of emergency

4. CLOSE — add barriers between you and the threat ..... **MEMORISED**

Close windows and doors

5. ACT — move to safe location ..... **MEMORISED**

E.g., under table during earthquake

6. LISTEN — follow instructions from security forces / media ..... **MEMORISED**

Drills & Review

Practice drill completed — entering protected space in time ..... **DONE**

Timed; all family members participated

Role assignments reviewed and updated ..... **DONE**

Check if new members added or abilities changed

Supplies checked and updated ..... **DONE**

Water bottles, batteries, food expiry dates

Communication plan reviewed ..... **DONE**

Each member knows who to contact

Next **review date** scheduled ..... **SET**

Hold periodic meetings as threats or household composition change

DISCLAIMER: Not an official government resource. Use at your own risk. Based on HFC (Pikud HaOref) publications as of 12 Mar 2026. Official guidance: oref.org.il.

SOP-11

Home Preparation

Securing your home and protected space — based on HFC guidelines

Protected Space (Mamad) — Inspection

Blast door opens and closes easily ..... **VERIFIED**

Handle turns 90° upward; double lock functions

No **light penetration** when door is sealed ..... **VERIFIED**

Indicates proper seal

Door **rubber insulation** present and not dried out ..... **VERIFIED**

Replace if cracked or brittle

Steel outer window opens and closes easily ..... **VERIFIED**

Glass inner window functions correctly ..... **VERIFIED**

Single-wing: double lock works. Double-wing: remove only during emergency times

Ventilation pipes — rubber insulation intact ..... **VERIFIED**

Steel cover screws tighten fully

Protected Space — Contents

No **flammable, hazardous, or toxic** materials stored ..... **VERIFIED**

No **glass, ceramic, or porcelain** items that could shatter ..... **VERIFIED**

→ no mirrors | no vases | no ceramic decorations

Shelves and heavy items fixed to walls ..... **VERIFIED**

Nothing that can fall during impact

Gas tanks are 3+ metres from protected room walls ..... **VERIFIED**

Report violations to gas company and local authority

Emergency supplies stored inside or nearby ..... **CHECKED**

See Emergency Supplies Kit SOP-9

Room is **ventilated** (if used as bedroom) ..... **CHECKED**

Mamad must not be used as kitchen, bathroom, or washroom

Secure Furniture & Objects

Bookcases and shelves secured to walls ..... **DONE**

Use wall anchors or anti-tip brackets

Heavy appliances locked in place ..... **DONE**

→ washing machine | refrigerator | oven

Lock wheels or secure with straps

Heavy objects placed in **low positions** ..... **DONE**

Nothing heavy or fragile in high positions

No **heavy objects near windows** ..... **VERIFIED**

Danger areas in home identified and treated ..... **DONE**

Glass panels, tall unsecured furniture, hanging heavy items

DISCLAIMER: Not an official government resource. Use at your own risk. Based on HFC (Pikud HaOref) publications as of 12 Mar 2026. Official guidance: oref.org.il.

Hazardous Materials

Paint, solvents, cleaning supplies in closed vessels ..... **CHECKED**

Stored away from heat sources

Flammable materials stored safely ..... **CHECKED**

Not in or near protected space

Gas supply checked ..... **VERIFIED**

→ private home: spare tank full | shared building: tank > half full

Verify integrity and capacity regularly

Infrastructure & Escape Routes

Electrical connections integrity checked ..... **VERIFIED**

Gas connections integrity checked ..... **VERIFIED**

All family members know **gas + electricity shutoff** locations ..... **VERIFIED**

And know when and how to shut off

Evacuation route planned ..... **DONE**

→ primary exit | secondary exit (back door / porch / emergency stairs)

Evacuation routes **clear of obstacles** ..... **VERIFIED**

No furniture, portable objects, or flammable materials blocking paths

All family members know **all routes** ..... **VERIFIED**

DISCLAIMER: Not an official government resource. Use at your own risk. Based on HFC (Pikud HaOref) publications as of 12 Mar 2026. Official guidance: oref.org.il.

SOP-12

Emergency Contacts & Communication

Essential numbers, alert channels, and information discipline

📞 Emergency Call Centres

100 **Israel Police** Unexploded ordnance, security incidents, terror events SMS: 052-2020100

101 **Magen David Adom** Injuries, first aid, medical emergencies SMS: 052-7000101

102 **Fire & Rescue** Fires, trapped persons, structural collapse SMS: 050-5960735

103 **Electric Corp.** Power outages, electrical hazards SMS: 055-7000103

104 **Home Front Command** Guidelines, alerts, emergency information SMS: 052-9104104

106–109 **Municipality** Local information, municipal assistance

110 **Police Info** Road blocks, police information hotline

🤝 Help & Support Centres

118 **Welfare Ministry** Information and assistance centre

1201 **ERAN** Emotional first aid hotline

***8840** **Senior Citizens** Ministry of Social Equality call centre

***9696** **National Insurance** Counselling for elderly and families

NATAL (trauma): 1-800-363-363
Youth Listens: 03-6919765

Immigration (EN): 04-7702651
Immigration (RU): 04-7702648

📱 How to Receive Alerts

Personal (Mobile)

- **Home Front Command app** — location-based alerts + up to 10 custom areas
- App recognises your location and sends alert automatically
- **National Emergency Portal** on computer (must stay open)

Public & Media

- **Sirens** — rising/falling alarm throughout the country
- **TV:** Kan 11, Keshet 12, Reshet 13, Ch. 14, Ch. 9, Ch. 140
- **Radio:** National and regional stations
- **Websites:** Ynet, Mako, Reshet, Israel Hayom, Walla

⛔ Information Discipline — Do NOT Spread Unverified Information

Before sharing anything online, ask:
1. Was it from a **reliable, official source**? (IDF, Police, Fire, HFC, municipality)
2. Could it **hurt someone**?
3. Could it actually be **useful**?

Even **positive** unverified rumours are harmful — they create false hope and undermine trust.
Rumours increase panic, impair coping, and can cause people to ignore real warnings.

📋 Your Personal Emergency Phone List

Do NOT rely on your phone's digital contacts. Write a physical list and keep copies:
- In a **visible location** at home (on fridge, by front door)
- With your **emergency supplies** bag
- One copy per **family member**

Include: family, neighbours (+ their skills: medic, plumber, electrician), doctor, insurance, building committee

DISCLAIMER: Not an official government resource. Use at your own risk. Based on HFC (Pikud HaOref) publications as of 12 Mar 2026. Official guidance: oref.org.il.
